ALTECHENERGIES (P)LTD.

INTERNSHIP COMPLETION CERTIFICATE

This is to certify that **Faiz Ahmed**, a student of **Muffakham Jah College of Engineering and Technology**, has successfully completed his internship with **Altech Energies Pvt Ltd** from 01 June 2025 to 15 July 2025.

During this period, he worked as an **AI/ML Intern** in the **IT/Research & Development Department**, where he contributed to the development of a **Convolutional Neural Network (CNN)-based model** for **metal surface defect detection in aluminum products**. His responsibilities included:

- Assisting in dataset preparation and annotation for defective and non-defective aluminum surfaces.
- Supporting the IT team in building and refining the CNN architecture for defect classification.
- Evaluating and validating model performance to ensure industrial applicability.

We found him to be hardworking, sincere, and enthusiastic in fulfilling his responsibilities, and his contributions added value to the project.

We wish him success in all his future endeavors.
